### ABOUT ME

I'm a digital designer with over fifteen years experience working within the fashion, marketing, interiors and POS design creative industries. I'm proficient with Photoshop, Illustrator, Figma, Sketch, After Effects, creating prototypes in Figma, HTML and CSS. I also have extensive experience with JS, React, Redux, Reactstrap and Bootstrap for web development. I have an in-depth understanding and working utilisation of e-commerce platforms Mailchimp, Shopify and Amazon Storefronts. When working on a project I am completely dedicated and enthusiastic! I'm a great communicator and I enjoy working in a team environment.

### EDUCATION

#### WEB & MOBILE DEVELOPMENT

2020 NuCamp Bootcamp California, USA

#### BA HONS TEXTILE DESIGN

2000-2004 Chelsea College of Art & Design, University of the Arts, London, UK

### SKILL SET

Adobe Photoshop, Adobe Illustrator, Figma, After Effects, prototypes, Sketch, Illustration, concepting Mailchimp, Shopify, Amazon Store Fronts, HTML, CSS, SASS, JS, React, Bootstrap, Reactstrap, Github.

### INTERESTS

I'm passionate about art, design and development. I enjoy creating self motivated web design and development projects and graphics in my spare time. I also love going to galleries, museums and installations to keep up to date and inspired by the latest art and culture. I enjoy walking my dog, playing video games, cycling and learning and speaking other languages such as French and Japanese.
